Independent Auditor's Report

To the Members of Human Concern International

Qualified Opinion

We have audited the financial statements of Human Concern International (the "organization") which comprise the statement of financial position as at December 31, 2020, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2020, and its results of operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the organization derives revenue from donations the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the records of the organization. Our audit opinion on the financial statements for the year ended December 31, 2019 was also qualified because of the possible effects of this limitation in scope. Therefore we were not able to determine whether any adjustments might be necessary to the organization's donations revenue, excess (deficiency) of revenue over expenses for the years ended December 31, 2020 and 2019, assets as at December 31, 2020 and 2019, and net assets at both the beginning and end of the December 31, 2020 and 2019 years.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Human Concern International Summary of Significant Accounting Policies

December 31, 2020

Nature of Business	<p>Human Concern International is an international humanitarian organization raising and distributing funds to help relief victims in third-world countries. The organization is incorporated under the Canada Corporations Act as a not-for-profit organization, is a registered charity and is exempt from income taxes under the Income Tax Act.</p> <p>These financial statements includes the operations of affiliate offices in Pakistan and Afghanistan.</p> <p>There are separately incorporated not-for-profit entities in East Africa and Lebanon that operate under the name "Human Concern International". The corporation uses these entities as agents and project managers for donations disbursed. These financial statements do not include the assets, liabilities, net assets, revenue and expenses of these foreign entities.</p>
Basis of Presentation	<p>These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and are in accordance with Canadian generally accepted accounting principles.</p>
Use of Estimates	<p>The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The organization's estimates relate to provision for doubtful receivables and estimated useful life of tangible capital assets. Actual results could differ from management's best estimates as additional information becomes available in the future.</p>
Financial Instruments	<p>Financial instruments are financial assets or liabilities of the organization where, in general, the organization has the right to receive cash or another financial asset from another party or the organization has the obligation to pay another party cash or other financial assets.</p> <p><u><i>Measurement of financial instruments</i></u></p> <p>The organization initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions which are measured at the exchange amount.</p> <p>The organization subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in operations.</p> <p>Financial assets and financial liabilities measured at amortized cost include cash, investments not traded in an active market, accounts receivable, accounts payable and accrued liabilities.</p>

Human Concern International Summary of Significant Accounting Policies

December 31, 2020

Financial Instruments (continued)

Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in operations.

Transaction costs

The organization recognizes its transaction costs in operations in the period incurred. However, the financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Tangible Capital Assets

Tangible capital assets are recorded at cost. Amortization is provided on a straight-line basis over the assets' estimated useful lives as follows:

Canada

Building	30 years straight-line basis
Building improvements	5 years straight-line basis
Computer equipment	3 years straight-line basis
Furniture and equipment	5 years straight-line basis
Vehicle	3 years straight-line basis
Website	5 years straight-line basis

International

Building	5% declining balance basis
Electrical equipment	15% declining balance basis
Computer equipment	33% declining balance basis
Furniture and equipment	25% declining balance basis
Vehicle	25% declining balance basis

Revenue Recognition

The organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Endowment contributions are recognized as direct increases in net assets. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Unrestricted investment income is recognized as revenue when earned. Investment income earned on endowments is unrestricted. Fair value changes for investments are recorded as investment income or loss and recognized as revenue or expense in the statement of operations.

Human Concern International Summary of Significant Accounting Policies

December 31, 2020

Foreign Currency	<p>Transactions during the year in U.S. dollars and Pakistan Rupees have been converted in the accounts to Canadian dollars at the exchange rate effective on the transaction date. All monetary assets in U.S. dollars and Pakistan Rupees have been converted to Canadian dollars at the exchange rates in effect at December 31, 2020. Losses resulting therefrom are included in the determination of excess of revenue over expenses for the year.</p> <p>Transactions during the year in Pakistan rupees have been converted in the accounts to Canadian dollars at the average exchange rate for the fiscal year. All monetary assets in Pakistan rupees have been converted to Canadian dollars at the exchange rates in effect at December 31, 2020. Gains or losses resulting therefrom are included in the determination of excess of revenue over expenses for the year.</p>
Donated Services	<p>The work of the organization is dependent on the voluntary service of many individuals. Since these services are not normally purchased by the organization and because of the difficulty of determining their fair value, donated services are not recognized in these financial statements.</p>
Donations in Kind	<p>Donations received in kind are recorded at fair market value, as agreed upon by donors and management. When the supplies donated are distributed, they are recorded as donations disbursed at equivalent value.</p>
Internally Restricted for Tangible Capital Assets	<p>Net assets internally restricted for capital assets represents net assets that have been used to purchase capital assets.</p>
Restricted for Endowment	<p>Net assets restricted for endowment purposes are subject to externally imposed restrictions stipulating that the resources be maintained permanently.</p>
Undistributed Net Assets	<p>Undistributed net assets represent unspent non-designated contributions accumulated over the life of the organization.</p>

Human Concern International Notes to Financial Statements

Recognized as revenue during the year	(894,680)	(100,606)
Balance, end of year	\$ -	\$ 894,680

Human Concern International Notes to Financial Statements

December 31, 2020

7. Non-Cash Donations

Donation receipts and donations disbursed include \$382,049 of donations received in kind (2019 - \$nil).

8. Risk and Concentrations

The organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the organization's risk exposure and concentrations as at December 31, 2020.

Market risk

Market risk is the risk that changes in market prices and interest rates will affect the organization's excess of revenue over expenses or the value of financial instruments. These risks are generally outside the control of the organization. The objective of the organization is to mitigate market risk exposures within acceptable limits, while maximizing returns.

Foreign currency risk

The organization has cash, accounts receivable and accounts payable denominated in US dollars and other foreign currencies. The carrying value of these items may change due to fluctuations in foreign exchange rates.

Changes in Risk

There have been no significant changes in the organization's risk exposures from the December 31, 2019 fiscal year.

9. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the organization's environment and in the global markets, possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) could have a material impact on the organization's operations. The extent of the impact of this outbreak and related containment measures on the organization's operations cannot be reliably estimated at this time.

10. Comparative Amounts

In certain instances, 2019 amounts presented for comparative purposes have been restated to conform to the financial statement presentation adopted for the current year.
