

# QURBANIIMPACT REPORT 2023

# OVERVIEW

The Qurbani Impact Report by HCl provides a comprehensive overview of the distribution of meat packages and Eid gifts to vulnerable families and children in diverse locations and countries during Eid Al-Adha. Our primary focus was on target groups such as households led by women or children, those with disabilities, and families facing food insecurity. By providing Qurbani meat, we aimed to address their fundamental nutritional requirements and enhance their overall welfare, reflecting our commitment to compassionately nourishing and supporting these communities during significant religious observances. This initiative serves to foster kindness, empathy, and solidarity among less fortunate communities.
